Dear Madhur;

Thank you for your application to the Flinn Gallery. I'm sorry it's been a while but I'm pleased to let you know that the selections committee is interested in your work. We have added you to our list of artists which we have approved for consideration when we plan the following season. If your work is selected as part of a particular show we will reach out to discuss the possibilities. Next season's shows are already being finalized so if you were to show with us it wouldn't be until the 2025-26 season.

Thank you again and we look forward to possibly discussing more sometime in the future!

Francene Langford  
Selections Committee Co-Chair
