

Letter Of Introduction

My name is Madhur Dhingra and I am a Minimalist /Surreal /Fine Art / photographer based in Toronto (Canada) & New Delhi (India). I started my career in photography in the year 1998.

My images are creations of a personal journey where I search answers to some fundamental questions about life, its meaning and purpose, trying to understand the ultimate nature of Reality. This quest is taking me to every nook and corner of India including Himalayan states and countries like Nepal, Bhutan, Sikkim, Zanskar, Ladakh (Little Tibet) meeting Buddhist monks, philosophers, scientists and charlatans alike.

Constant interaction with brilliant Vedic & Buddhist scholars has made me understand that the whole concept of a 'Creator God' proposed by organized religions is a childish one. It had failed to fully comprehend That unconditioned, non-dual, eternal, omnipresent force. God is not a glorified 'personality' sitting somewhere in the universe, directing lives of its people or attending to minute details of its day to day operations. We need to understand that the Universal Mind does not exist separately from the universe but in it and as it.

My works has been widely acclaimed and published in many international magazines. Four photography clubs of Brittany (France) got together and sponsored my solo photography show in the town of Erquy in December 2022. A documentary was also made on me and my style of work by French and Korean photographers and displayed in the Town Hall of Erquy during my exhibition. Many newspapers of France published articles on my work and style. The exhibition was a complete sell out.

Another sponsored exhibition has just got over in New London - Connecticut in USA . The show carried on from 31st August to 28th September 2024. Thirty images had been displayed in Hygienic Art Galleries – TBD/ Lower Gallery. My exhibition was very well received by the American audience. All images have been retained by the gallery for sales.

My next upcoming sponsored exhibition is now due at Flinn Gallery in Greenwich - Connecticut in USA, for the year 2025- 2026 whose final display dates are yet to be finalised.
